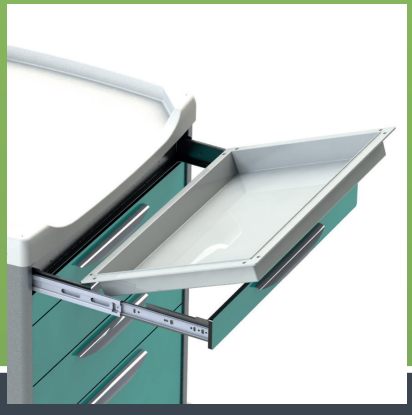
EMERGENCY TROLLEYS FOR ISO TRAYS

Our emergency trolleys guarantee an **immediate availability of material** and necessary products for first emergency needs in complete safety.

On each trolley model, the drawers can be locked by a door wing with **seal lock**. In order to access to the content of the trolley, you just have to break the seal by twisting it. After each use, the trolley is re-equipped and locked again by a numbered single-use new seal.

Modular Safe Handy Hygienic



Photos non contractuelles

- Telescopic drawers
- Shock-absorbing system for drawer closure
- Frame for ISO tray is adapted to most existing ISO trays
- ISO tray is removable for better cleaning
