

Clean linen range

# Linen distribution trolleys and cabinets

Our Neop® Clean laundry distribution trolleys and cabinets combine robustness and maneuverability.

**Fully customizable** thanks to a wide range of accessories, they can be equipped with magnetically closed doors.

**Secure and computerizable, they can also be upgraded** with a bag holder, allowing you to distribute clean linen and collect dirty linen in a single pass.

For optimal working comfort, discover our **trolleys with an integrated motorized system** that significantly reduces user pushing effort!

Non-contractual photos

NeopcleaN

## Benefits

- ▶ Robust: one piece structure
- ▶ Ergonomic: optional motorization
- ▶ Customizable: many available accessories
- ▶ Hygienic: compatible with washing and disinfection

### Motorized trolleys

The EasyMoove® motorization system integrated into our Neop® Clean trolleys **reduces user pushing effort**, thus **preventing the onset of MSDs**. A simple pull of the trigger activates the motorization. This provides staff with **optimal working comfort**.

| Description  | Number of shelves | Dimensions (in mm)        | Reference       |

## Rails and compatible accessories

### Standard rails

Aluminum rails screwed onto the structure of the trolley or cupboard, which provides resistance to higher wear.

| Description   | Reference    |
